

Parent Report for Austin Woodall

Printed Wednesday, February 25, 2015 9:24:19 AM

Test Date: February 17, 2015 8:23 AM

Dear Parent or Guardian of Austin Woodall:

Austin has taken a STAR Reading computer-adaptive reading test. This report summarizes your child's scores on the test. As with any test, many factors can affect a student's scores. It is important to understand that these test scores provide only one picture of how your child is doing in school.

PR	PR Range	Below Average	Average 50	Above Average	IRL	ZPD
97	95-98			◆	8.7	4.6-8.7

National Norm Scores:

Percentile Rank (PR): 97

The Percentile Rank score compares your child's test performance with that of other students nationally in the same grade. With a PR of 97, Austin reads at a level greater than 97% of other students nationally in the same grade. This score is above-average. The PR Range indicates that, if this student had taken the STAR Reading test numerous times, most of his scores would likely have fallen between 95 and 98.

Instructional Reading Level (IRL): 8.7

The Instructional Reading Level (IRL) is the grade level at which Austin is at least 80% proficient at recognizing words and comprehending reading material. Austin achieved an IRL score of 8.7. This means that he is at least 80% proficient at reading eighth grade words and books.

Zone of Proximal Development (ZPD): 4.6 - 8.7

The Zone of Proximal Development (ZPD) is the reading level range from which Austin should be selecting books for optimal growth in reading. It spans reading levels that are appropriately challenging for reading practice. This range is approximate. Success at any reading level depends on your child's interest and prior knowledge of a book's content.

I will be using these STAR Reading test scores to help Austin further develop his reading skills through the selection of books for reading practice at school. Austin should also learn and employ study skills to access reading materials, increase his literary vocabulary, and practice evaluating and making judgements about books at home.
